

## RAJ SAXENA - IOS DEVELOPER

Email: rajsaxena.dev@gmail.com | Phone: 9990022123 | Delhi India

### Objective

i want to work in apple and make ios apps i have passion for design and code.

### Experience

Worked on many projects like ecommerce app and chat app. Used swift and xcode and api but sometimes project not completed because of time. Worked also on firebase and some backend. I have 1.5 year exp as ios developer.

### Education

B.Tech from Delhi University 2021

### Skills

Swift, xcode, ui kit, firebase, json, api, github

### Projects

Ecommerce App - used swift and firebase but design not responsive yet. Chat App - built using xcode and api but have bugs. Calculator App - works well but ui simple.

### Achievements

Made many apps in college and uploaded in github. Trying to learn swift ui also. Participated in hackathon but not selected.
